Fitness Classes

*AQUA ZUMBA

There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles. Those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss!

*AQUATIC CONDITIONING

Give your joints a rest, and jump into the Spa's saline pool for a non-impact cardio, core, and strength intensive aquatic workout.

BARRE FUSION

An energizing full-body workout to popular music that uses movements derived from ballet, but it is not choreographed or complex.
